# 1. What are they?

AsciiDoctorJ Panels are a way of creating a panel that is clickable. Now you can create a set of panels that links to various contents, an alternative way of building links.

## 2. How to use?

AsciiDoctorJ Panels are built using a block processor. SO you will need to create blocks to visualize them. For the most part, the body of the panel is built using a Kotlin DSL.

### 2.1. First Example

The first type of panels is just panels with a list of panel objects. See example below

```
1 panels {
2     panel{
3         link = "http://www.google.com"
4         label = "Google Search"
5     }
6 }
```

Given the above, we will build panels for Google, Apple, Microsoft, Amazon, Netflix

```
1 [panels,"buttons"]
2 ----
3 panels {
4     panel {
5         link = "https://www.google.com"
6         label = "Google"
7     }
8     panel {
9         link = "https://www.apple.com"
10        label = "Apple"
11    }
12    panel {
13        link = "https://www.microsoft.com"
14        label = "Microsoft"
15    }
16    panel {
17        link = "https://www.amazon.com"
18        label = "Amazon"
19    }
20    panel {
21        link = "https://www.netflix.com"
22        label = "Netflix"
23    }
24 }
```

The syntax is pretty small to make a panel of buttons.

### 3. Round Buttons

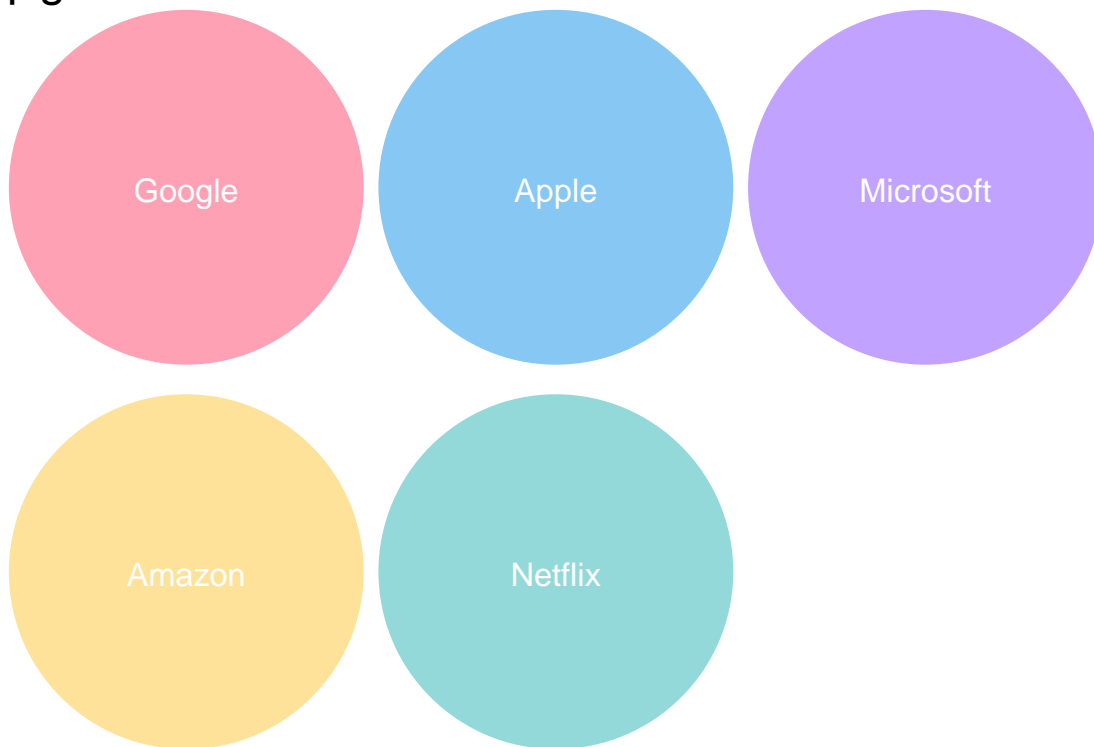

Similar to the buttons we have a round object we can use.

```

1 [panels,buttons2]
2 ----
3 panels{
4   theme {
5     colorMap{
6       color("#ff6385")
7       color("#36a3eb")
8       color("#9966ff")
9       color("#ffcf56")
10      color("#4bc0c0")
11      color("#FDCBF1")
12    }
13  }
14  round {
15    link = "https://www.google.com"
16    label = "Google"
17  }
18  round {
19    link = "https://www.apple.com"
20    label = "Apple"
21  }
22  round {
23    link = "https://www.microsoft.com"
24    label = "Microsoft"
25  }
26  round {
27    link = "https://www.amazon.com"
28    label = "Amazon"
29  }
30  round {
31    link = "https://www.netflix.com"
32    label = "Netflix"
33  }

```

```
34 }
35 ----
```

- Google
- Apple
- Microsoft
- Amazon
- Netflix

## 4. Theming

**TIP** | New Attributes added, dropShadow & font

Table 1. Theme Guide

Item	Attribute	Value
layout	columns	<i>optional</i> , default: 3, max recommended 6
	groupBy	default Grouping.TITLE, others → .Grouping.TYPE, Grouping.AUTHOR, Grouping.DATE

Item	Attribute	Value
	groupOrder	<i>optional</i> default Grouping.ASCENDING, others → Grouping.DESCENDING
		<pre> theme {   layout {     columns = 4     groupBy = Grouping.TITLE     groupOrder = GroupingOrder.ASCENDING   } } </pre>
colorMap	color	<i>optional</i>
		<pre> colorMap{   color("#ff6385")   color("#36a3eb")   color("#9966ff")   color("#ffc056")   color("#4bc0c0")   color("#FDCBF1") } </pre>
legendOn	legend	boolean, <i>default true</i>
newWin		boolean, <i>default true</i>
dropShadow		number 0..9, <i>default 1</i>
font		set of font to use <pre> font = font {   color = "#000000"   font = "Arial, Helvetica, sans-serif"   size = "9pt"   decoration = "underline" } </pre>

## 4.1. Themed Example

Same Panel as above but with sorting ascending and different colors.

```

1 [panels,"round2"]
2 ----
3 panels {
4   theme {
5     layout {
6       columns = 4

```

```

7      groupBy = Grouping.TITLE
8      groupOrder = GroupingOrder.ASCENDING
9  }
10     font = font {
11         color = "#ffffff"
12     }
13     dropShadow = 2
14     colorMap{
15         color("#ff6385")
16         color("#36a3eb")
17         color("#9966ff")
18         color("#ffcf56")
19         color("#4bc0c0")
20         color("#FDCBF1")
21     }
22     newWin = false
23 }
24 panel {
25     link = "https://www.google.com"
26     label = "Google"
27 }
28 panel {
29     link = "https://www.apple.com"
30     label = "Apple"
31 }
32 panel {
33     link = "https://www.microsoft.com"
34     label = "Microsoft"
35 }
36 panel {
37     link = "https://www.amazon.com"
38     label = "Amazon"
39 }
40 panel {
41     link = "https://www.netflix.com"
42     label = "Netflix"
43 }
44 }
45 ----

```

## 5. Small Panels

More informational panels can be created with small cards

```

1 panels {
2   theme {
3     layout {
4       columns=4
5       groupOrder = GroupingOrder.ASCENDING
6     }
7     font = font {
8       color = "#000000"
9     }
10    colorMap{
11      color("#ebb3d1")
12    }
13    legendOn = false
14    gradientStyle = DarkTheme
15  }
16  slim {
17    link = "https://www.google.com"
18    label = "Google"
19    type = "Advertising"
20    description = "Google is is an American multinational technology company
that specializes in Internet-related services and products "
21    author("Sergey Brin")
22    author("Larry Page")
23    date ="07/30/1998"
24  }
25  slim {
26    link = "https://www.apple.com"
27    label = "Apple"
28    type = "Personal Devices"
29    description = "Apple Inc. is an American multinational technology company
that specializes in consumer electronics, computer software and online services. "
30    author("Steve Jobs")
31    author("Steve Wozniak")
32    date ="01/30/1977"
33  }
34  slim {
35    link = "https://www.microsoft.com"
36    label = "Microsoft"
37    type = "Software"
38    description = "Microsoft Corporation is an American multinational
technology corporation which produces computer software, consumer electronics,
personal computers, and related services."
39    author("Bill Gates")
40  }
41  slim {
42    link = "https://www.amazon.com"
43    label = "Amazon"
44    type = "Super Store"
45    description = "Amazon.com, Inc. is an American multinational technology
company which focuses on e-commerce, cloud computing, digital streaming, and

```

```

    artificial intelligence"
46     author("Jeff Bezos")
47   }
48   slim {
49     link = "https://www.netflix.com"
50     label = "Netflix"
51     type = "Movie Theater"
52     description = "Netflix, Inc. is an American subscription streaming service
and production company."
53     author("Reed")
54     author("Marc")
55   }
56   slim {
57     link = "https://www.facebook.com"
58     label = "Facebook"
59     type = "Social Butterfly"
60     description = "Facebook is an American online social media and social
networking service owned by Meta Platforms."
61     author("Mark Zuckerberg")
62   }
63   slim {
64     link = "https://www.instagram.com"
65     label = "Instagram"
66     type = "Beach"
67     description = "Instagram is an American photo and video sharing social
networking service. "
68     author("Kevin")
69     author("Mike")
70   }
71   slim {
72     link = "#[link-server]#[app]"
73     label = "DocOps.io"
74     type = "Documentation"
75     description = "Sharing documentation experience for developers to extend
with AsciiDoctor"
76     author("Steve Roach")
77     author("Ian Rose")
78   }
79 }

```

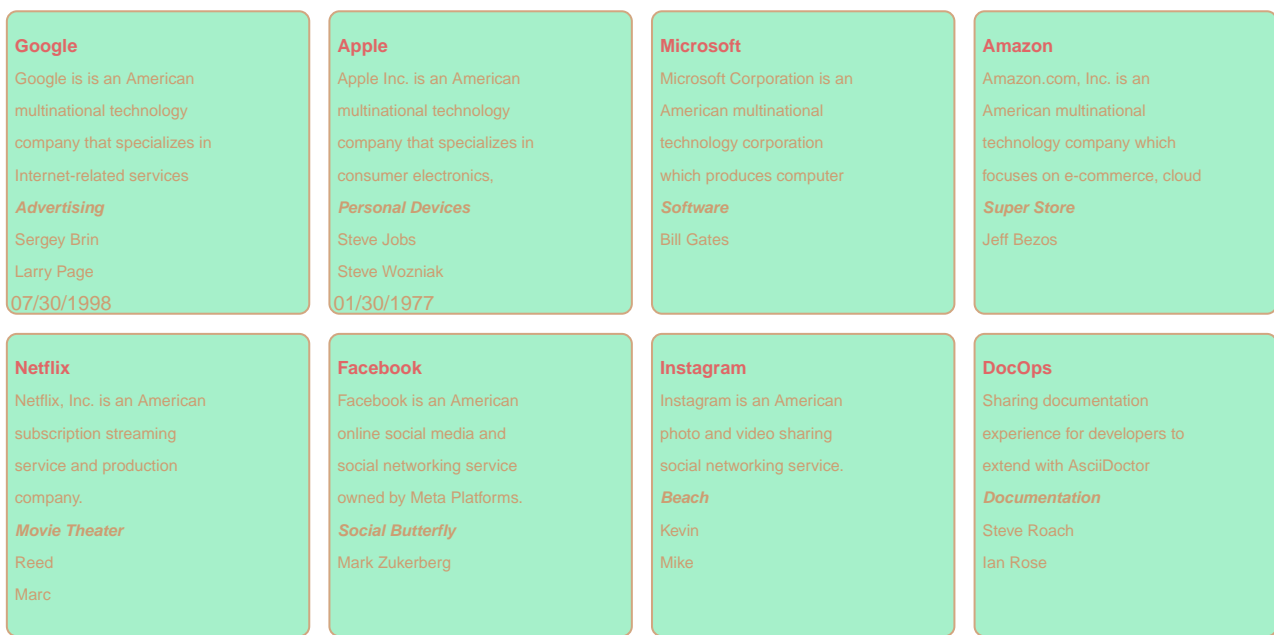

Table 2. Slim Cards Guide

Item	Attribute	Notes
slim	type	A way to categorize the card by in case you would like to group or sort by, see the Theme table for sorting and grouping
	description	used as the hover over information describing the card
	author	list of "author" to the link provided
	date	date to display content attributed to link

## 6. Large Panels

The alternative to Slim Panel is Large Panels where the description is now displayed on the card

```

1 [panels,"large"]
2 ----
3 panels {
4 theme {
5     layout {
6         columns = 3
7     }
8     font {

```

```

9         color = "#000000"
10        bold = true
11    }
12    colorMap{
13        color("#ff6385")
14        color("#36a3eb")
15        color("#9966ff")
16        color("#ffcf56")
17        color("#4bc0c0")
18        color("#FDCBF1")
19        color("#A6C1EE")
20    }
21 }
22 large {
23     link = "https://www.google.com"
24     label = "Google"
25     type = "Search"
26     description = "Google is is an American multinational technology company
that specializes in Internet-related services and products "
27     date ="07/30/1998"
28 }
29 large {
30     link = "https://www.apple.com"
31     label = "Apple"
32     type = "Personal Devices"
33     description = "Apple Inc. is an American multinational technology company
that specializes in consumer electronics, computer software and online services. "
34     date ="01/30/1977"
35 }
36 large {
37     link = "https://www.microsoft.com"
38     label = "Microsoft"
39     type = "Software"
40     description = "Microsoft Corporation is an American multinational
technology corporation which produces computer software, consumer electronics,
personal computers, and related services."
41 }
42 large {
43     link = "https://www.amazon.com"
44     label = "Amazon"
45     type = "Super Store"
46     description = "Amazon.com, Inc. is an American multinational technology
company which focuses on e-commerce, cloud computing, digital streaming, and
artificial intelligence"
47 }
48 large {
49     link = "https://www.netflix.com"
50     label = "Netflix"
51     type = "Movie Theater"
52     description = "Netflix, Inc. is an American subscription streaming service
and production company."

```

```
53     }
54     large {
55         link = "https://www.facebook.com"
56         label = "Facebook"
57         type = "Social Butterfly"
58         description = "Facebook is an American online social media and social
networking service owned by Meta Platforms."
59     }
60     large {
61         link = "https://www.instagram.com"
62         label = "Instagram"
63         type = "Beach"
64         description = "Instagram is an American photo and video sharing social
networking service founded by Kevin Systrom and Mike Krieger. "
65     }
66 }
67 ----
```

Search

07/30/1998  
Google is an American multinational technology company that specializes in Internet-related services and products

Personal Devices

01/30/1977  
Apple Inc. is an American multinational technology company that specializes in consumer electronics, computer software and online services.

Software

Microsoft Corporation is an American multinational technology corporation which produces computer software, consumer electronics, personal computers, and related services.

Super Store

Amazon.com, Inc. is an American multinational technology company which focuses on e-commerce, cloud computing, digital streaming, and artificial intelligence

Movie Theater

Netflix, Inc. is an American subscription streaming service and production company.

Social Butterfly

Facebook is an American online social media and social networking service owned by Meta Platforms.

Beach

Instagram is an American photo and video sharing social networking service founded by Kevin Systrom and Mike Krieger.
